RE: Request Number EPA-HQ-2019-000763

Dear Ms. Moriarity:

This is in response to your Freedom of Information Act (FOIA) request, identified above, dated October 25, 2018 that you submitted to the U.S. Environmental Protection Agency (EPA). Your request seeks to obtain the environmental conditions at the following property:

5801 Amboy Road, Staten Island, NY

EPA, as a courtesy, performed a search of MyProperty and found no records responsive to your request.

The information that you were seeking is publicly available on EPA's MyProperty online database. The database will provide you with information concerning records the EPA has about a specific property, and it can be accessed at the link below:

<https://www3.epa.gov/enviro/facts/myproperty/>

MyProperty is a tool for searching facility data that comes from multiple EPA data sources available through the EPA's Facility Registry System (FRS). This tool allows you to determine if EPA's FRS system has records on a specific property without filing a FOIA request. The results of this search will be identical to the information you would receive by filing a FOIA request with EPA for these records. It will also generate an official EPA certificate should your search produce no results in connection with the subject site. Because this information is publicly available, your FOIA request for this information is being administratively closed, in accordance with EPA's FOIA regulations. See 40 C.F.R. Part 2, Subpart A. Please note you should perform the initial search of a property of interest by visiting the above link. If your search produces results, then proceed with an information request for additional records under FOIA. Your FOIA submittal should be accompanied by these results.

This letter concludes EPA's response to your request. You may appeal this response by email at hq.foia@epa.gov, or by mail to the EPA's National FOIA Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2310A), Washington, DC 20460 or through FOIAonline if you are an account holder. If you are submitting your appeal by hand delivery, courier service, or overnight delivery, you must address your correspondence to 1200 Pennsylvania Avenue, N.W., Room 5315, Washington, DC 20460. Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. The Agency will not consider appeals received after the 90-calendar-day limit. Appeals received after 5:00 p.m. EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked "Freedom of Information Act Appeal." Additionally, you may seek dispute resolution services from EPA's FOIA Public Liaison at hq.foia@epa.gov or (202) 566-1667, or from the Office of Government Information Services (OGIS). You may contact OGIS in any of the following ways: by mail, Office of Government Information Services, National Archives and Records Administration, Room 2510, 8610 Adelphi Road, College Park, MD 20740-6001; email, ogis@nara.gov; telephone, (202) 741-5770 or (877) 684-6448; or fax, (202) 741-5769.
